AKWA Products Features & Options

If you are looking for imported goods, you won't find any in this book. AKWA is dedicated to making (only) Made in USA apparel. And *making it well!*

- The absolute BEST no-curl collar you'll ever find (P.5). It doesn't even curl coming out of the washer and dryer!
- The absolute BEST soft shell jacket you've ever worn (P.46). Many call their stiff jackets 'soft shell'. Ours embodies the word SOFT (and sumptuous).
- The nicest fleece you've ever worn. Wear it as we stock it (P.45), or Customize the hood liner (P.44), or Customize the contrasting colors (P.43).
- Our customers tell us it's practically impossible to find Made in America dress shirts (You know what's coming next, don't you?). We make men's and women's in 6 colors each (P.27).
- Do you need a loop for glasses, pocket, or private label? We can sew some or all of those for you with no minimum....even one piece!
- Last but not least, AKWA offers expert, affordable embroidery, Pre production and virtual proof service available. Contact us for quotation.

AKWA...Made in USA, but SO MUCH MORE!

If you're looking for...

- The perfect uniform shirt
- A trade show shirt that has enough spandex to move with you
- A collar that never curls, even after machine washing
- A shirt that laundry-challenged guys will always look good in
- A good looking shirt that won't snag
- A perfect color that won't fade after repeated washings
- An appearance not diminished by wrinkling
- Performance proven by thousands of previous sales

...then you've found the ideal shirt for your project. Imagine having a great looking shirt that lasts for years and continues to always look great: that is the legacy of the 1342AQD.
